

Dear OTA Competitors

June 24, 2021

Please note that rule 5.1.A2.1 – “Installation of four street tires with a tread wear rating (UTQG) of 250 or greater. (‘Enduro Tires’)” shall EXCLUDE Cooper Tires RS3-R tires.

Competitors using these tires shall be classed using rule 5.1.A2.2 as the Cooper Tires RS3-Rs have proven data to class them as quick as the Bridgestone RE71Rs which qualify as “street tires”.
