# Club Challenge Cup Ruleset 2024

Overview

The challenge is sent out to all competitors to form their own Time Attack Team. The teams are then entered into a parallel championship, competing based on multitude of scoring criteria similar to the F1 Constructor's Cup.

Scoring

- Base Points: the average of top three driver's iPAX scores will be used to calculate the base point
    - If a team has less than three drivers attending, the average of the bottom 20% (rounded down) scored iPAX for the day will be used to fill in for the missing drivers
- Lap Time Bonus: if a team driver gets top three lap time for the day, they will gain an additional 1, 0.5 and 0.25 points for the team. If a record is broken, an additional 0.2 points will be awarded
- Class Winning Bonus:

Bonus Points for Class Winners (Per Class)

-
- 1st place: follow yellow line, x-axis is number of **scored competitors** in that class **other than** the competitor him/herself, y-axis is the bonus point given
- 2nd place: follow grey/silver line, x-axis is number of **scored competitors** in that class **other than** the competitor him/herself, y-axis is the bonus point given
- 3rd place: follow brown line, x-axis is number of **scored competitors** in that class **other than** the competitor him/herself, y-axis is the bonus point given

Total Team Points per Event = Base Points + Lap Time Bonus + Class Winning Bonus
